## Message of Principal

*It is a matter of immense pleasure that choice of IPS&C is under your active consideration for the education and training of your children. Production of doctors and engineers only is not the sole aim of IPS&C, it gives equal importance to produce better human beings and useful citizens*

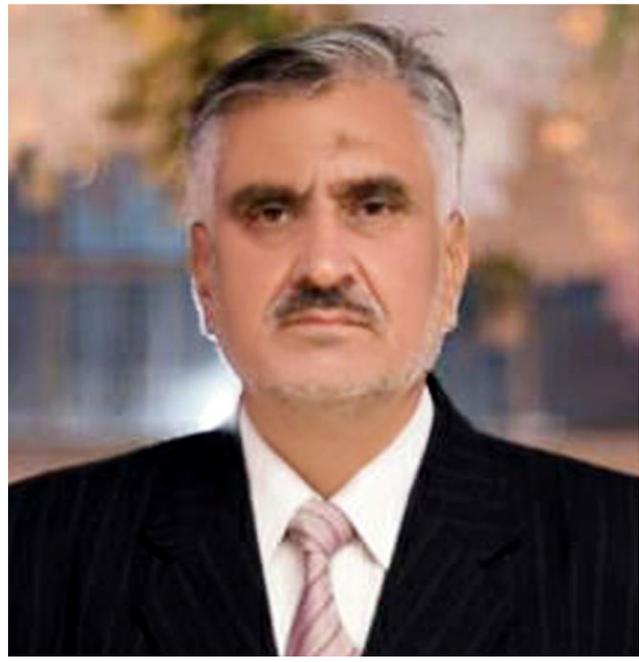

*. In addition to classwork, activities are organized to groom the personalities and build the character of students, both boys and girls. Highly educated and experienced staff is all the time engaged for the purpose.*

*Faculty development programme is the never-failing feature of our system. We carved a niche among other institutions by our sheer doggedness and never-compromising attitude on the discipline and standard of the institution. We pledge to maintain the good name which we achieved during the past 26-Year long academic service to the nation.*

*In the end, I assure you that IPSONIANS are in the safe and skilled hands and they are well-groomed, transformed persons after leaving this institution which they will take pride of as their Alma Mater.*

*May Allah help us in our sincere pursuits in equal uplift of the teachers and the taught .  
Ameen.*

# ANNUAL ACADEMIC EXCELLENCE CEREMONY

# THE ACADEMIC PROGRAM

*The main aim of teaching at IPS is student centered learning without any kind of physical punishment or psychological pressures. The close contact with the faculty and the staff as they attend to the educational needs of individual students is perhaps the most important attraction of IPS for the parents. The new academic session commences in the first week of March for all classes up to Matric and terminates in December, while for the intermediate level, the session begins in April and terminates in the following March each year. The academic year from Playgroup to class 10 is split up in three parts. There are two major breaks in an academic year. The summer vacation lasts for one month and the winter vacation is for 10 to 11 weeks. The yearly schedule of Activities gives the detail of all the holidays and vacation observed by the institution. The parents are informed from time to time of the coming days off well in advance. Beside all gazetted holidays, Sunday is observed as a weekly holidays and Friday is a half-day.*

## CURRICULUM (A BRIEF OUTLINE)

Our curriculum is designed to develop Knowledge, attitudes and skills in students. The Curriculum document approved by the Ministry of Education, Pakistan is followed in the selection of the books. For the junior classes up to Class VII the syllabi are prepared and reviewed on yearly basis. The Early Childhood program follows the Montessori System of Education. For Matric and Inter level all the books prescribed by the Abbottabad Board are being used. The students are instructed to use reference books and other resource materials to promote conceptual learning and research oriented approach.

## RELIGIOUS EDUCATION

Islamiyat and Quran is taught as a compulsory subject for all Muslim students. The Morning Assembly opens with the recitation of the Holy Quran followed by its translation in Urdu and English. On all occasions of religious importance, the opportunity is taken to organize such activities that will promote tolerance and spirit of mutual understanding in students as individuals. Prayers are offered regularly. Full time Qaris teach Nazra to the students. Non- Muslim students have an option to study Ethics instead of Islamiyat.

## STUDENT SUPPORT PROGRAM

### ORIENTATION

IPS is concerned with giving the new students the best possible introduction to campus life. Open Day Programs are organized for the new students. Besides orientation sessions are held on the first day of the academic year in which all the students are given an opportunity to meet their classmates and get to know how the services available at IPS. They are guided briefly about the courses of study and the concerned academic staff. Proper placement and registration in classes is also ensured.

### WINTER COACHING CAMPS

Special coaching classes for students of Matric and Intermediate are arranged during the winter break. Skill building sessions on how to attempt a paper, time management, study skills development, how to understand the demand of a question, etc are arranged. Daily written tests prepare students for the Board Exams and play a key role in attaining outstanding scores.

### CAREER COUNSELING

IPS provides assistance in career planning especially to college students. The aim of the career planning is to aid the students in making educated decisions regarding the selection of courses and analyzing their individual skills and interests.

### EMOTIONAL & PSYCHOLOGICAL COACHING

IPS provides emotional and psychological counseling to the students. Through individual counseling and group programs the students get a chance to learn how to change self-defeating behaviour, manage anxiety and depression, and improve relationships. A personal and confidential response to students' needs is provided and these services are free of charge.
